SHIP TOOLS SUPPLIER

Pneumatic Jet Chisels

Tool suitable for chipping rust, old paints, welding scales, casting scales and various fouling from irregular, angular or bent surfaces.

The needles are independent from one another, thus permitting a perfect adherence to all irregular surfaces.

IMPA Code	Model	Needles	Inlet	Consumption	Weight
590461	AMJ-16	Dia.2mmx29pcs	3/8"	0.1m ³ /min	1.4kg
590462	AMJ-20	Dia.2mmx29pcs Dia.3mmx12pcs	3/8"	0.2m ³ /min	2.4kg
